WakeMed Hospital proposes two imaging and emergency services sites

RALEIGH – WakeMed has filed applications with the Certificate of Need Section of the N.C. Division of Health Service Regulation to develop imaging and emergency services outpatient departments. The WakeMed facilities are proposed for Garner and the Briar Creek area.

A public hearing for these projects will be held at 1 p.m. on Jan. 17 in Room 201 of the Council Building, 201 Barbour Drive, on the campus of Dorothea Dix Hospital in Raleigh.

The proposed \$34.7-million WakeMed Brier Creek Healthplex will provide emergency services with 14 treatment rooms, CT scanner, mammography, ultrasound, general radiology and laboratory services at ACC Boulevard and T.W. Alexander Drive in Raleigh. The facility will operate on a 24/7 schedule to support the emergency department and is scheduled to open in December 2010.

The proposed \$24.9-million WakeMed South Healthplex will provide emergency services with 10 treatment rooms, CT scanner, mammography, ultrasound, general radiology and laboratory services at Jones Sausage Road and U.S. Highway 70 in Garner. The facility will operate on a 24/7 schedule to support the emergency department and is scheduled to open in December 2010.

Anyone may file written comments concerning this proposal. Comments must be received by the Certificate of Need Section no later than Dec. 31 at the following address:
